

## **Exhibition Opportunities**

**The 50<sup>th</sup> Annual Microwave Power Symposium (IMPI 50)**

**The Caribe Royale All-Suite Hotel and Convention Center, Orlando, Florida, USA**

**June 21-23, 2016**

IMPI 50 is an excellent platform for you to share information about your company and products with leaders in the microwave industry. Estimated attendance for the 3 day event is 75-90. Exhibitors are placed in and around the main ballroom and networking space for maximum exposure to the conference delegates.

There are 10 Exhibitors confirmed to date. Exhibition space is extremely limited – register today!

### **Exhibition Pricing:**

- \$1,400 early bird member; \$1,550 early bird non-member (before May 5, 2016)
- \$1,500 member; \$1,650 non-member (after May 5, 2016)

### **Exhibition cost includes:**

- A 10' x 10' space with a draped 6 foot table, 2 chairs and one 20 Amp 110 volt power service. Shared WiFi internet access is available to all conference participants/exhibitors for no cost;
- An opportunity to address the delegates during our Exhibitor Spotlight;
- Dedicated time for delegates to explore the exhibits and posters (during our Welcome Reception on Tuesday evening, both breakfasts, lunches and breaks on Wednesday and Thursday, as well as an interactive forum.)
- Your logo on all pre-event materials (which is shared with our database of over 1,400) and all onsite marketing materials.
- One full event registration for IMPI 50 (All technical sessions & Food Science and Technology sessions, Symposium materials, Welcome Reception, continental breakfasts, lunches and coffee breaks on Wednesday and Thursday). A full event registration is priced at \$595 for member early bird and is included in your exhibition cost.
- Attendee list.

\*Note, companies interested in exhibiting may wish to consider a Corporate Membership in IMPI in lieu of a traditional exhibition package. An annual corporate membership is \$2,000 and includes an exhibition booth (and one full registration to the Symposium), 5 transferable professional memberships to IMPI, member pricing to the Symposia and Short Courses, complimentary access for all employees to our 5 webinars throughout the year, complimentary online access to the *Journal of Microwave Power and Electromagnetic Energy* and our signature newsletter “*The Wave*” as well as unprecedented networking with the leaders in our industry.
