

INTERNATIONAL  
MICROWAVE POWER  
INSTITUTE

**INAUGURAL STUDENT SPONSORSHIP PROGRAM**  
**The 52<sup>nd</sup> Annual Microwave Power Symposium (IMPI 52)**  
**The Hilton Hotel, Long Beach, California, USA**  
**June 26-28, 2018**

Corporations, Small Businesses and Friends of IMPI are invited to participate in our Inaugural Student Sponsorship Program. The goal of this program is to increase student participation in the Symposia and assist deserving students with the financial support needed to attend our event in Long Beach, California, USA.

Each \$1,000 sponsorship will cover the full registration cost (\$500 - including Group Dinner) of a student attendee; additionally, each student recipient will be granted a \$500 travel stipend (to be used towards hotel cost, airfare or mileage) related to their IMPI 52 participation.

Eligible students must be a full-time undergraduate or graduate student, submit an abstract prior to the January 26, 2018 deadline, and fill out an application. The Sponsors and the conference chairmen will review all applications and selected recipients will be notified by March 1, 2018.

For their \$1,000 Sponsorship, donors will receive the following benefits:

- Recognition on all event marketing (pre-event and onsite) including blast emails, website, onsite program and signage
- Feature story in IMPI's post-Symposium Wave newsletter highlighting Sponsors and benefactors of our inaugural Student Sponsorship program.

*IMPI is a 501-c3 Non-Profit Organization.  
Companies & Individuals may sponsor one or more students.*
