MICROWAVE INDUSTRY GROUP HOSTS FOOD SAFETY WEBINAR SERIES

February 18, 2016—There are a number of issues that impact consumer confidence and perceptions of the safety of food. Recent reports of industry vendor challenges, comprehensive staff training, municipal water quality, along with pending compliance dates for the Food Safety Modernization Act (FSMA) have increased consumer awareness of this critical topic. As stakeholders at the table, the **International Microwave Power Institute**, known as **IMPI** will host the **IMPI Spring 2016 Webinar Series on “Food Safety.”** The three-part series includes:

“Food Safety: A Regulatory Perspective,”
Instructor: Dr. William K. Shaw,
USDA FSIS

Feb. 24, 2016 11:00 a.m.-12:00 p.m. EST

***“Food Safety from A
Microbiological Perspective,”***
Instructor: Dr. David Jairus,
Principal Senior Research Scientist,
ConAgra Foods

March 23, 2016, 11:00 a.m.-12:00 p.m. EST

“Food Safety and Validation Techniques,”
Instructor: Judy Lindsey,
Business Development Manager,
Product Dynamics

April 20, 2016, 11:00 a.m.-12:00 p.m. EST
